Welcome to the 2023 InfoSoup Library Road Trip!

You are welcome to join a 10 week trip to visit 49 library locations throughout 10 counties in Northeast Wisconsin. You will discover the unique buildings, services, and resources available in these communities.

How to Participate

1. Your road trip begins by picking up a map booklet at any participating InfoSoup library. Use this booklet to plan your road trip to as many of our 49 InfoSoup library locations as you can visit. You can also download a map at: infosoup.info/roadtrip. **Maps can be stamped from May 1, 2023 until July 15, 2023.**

2. There are two ways that you can get your map stamped.
   - Visit a participating InfoSoup library and do one of the following: check out an item, participate in a program or activity, or sign-up to use a public computer. (Perfect to plan your next road trip stop!)
   - Can't travel? Call an InfoSoup library and ask the librarian for a book or movie recommendation, or ask a question about the library or the community. You will get a secret code to add to your map. Please don't share your code.

3. Only one stamp or code per patron per library.

4. For every ten stamps or codes you collect, go to an InfoSoup member library and get an entry form for a chance to win prizes. You may enter up to four times.

5. The prize drawing will occur on August 1, 2023. Winners will be notified using the contact information on their entry form. Staff of the participating InfoSoup libraries are not eligible to win.
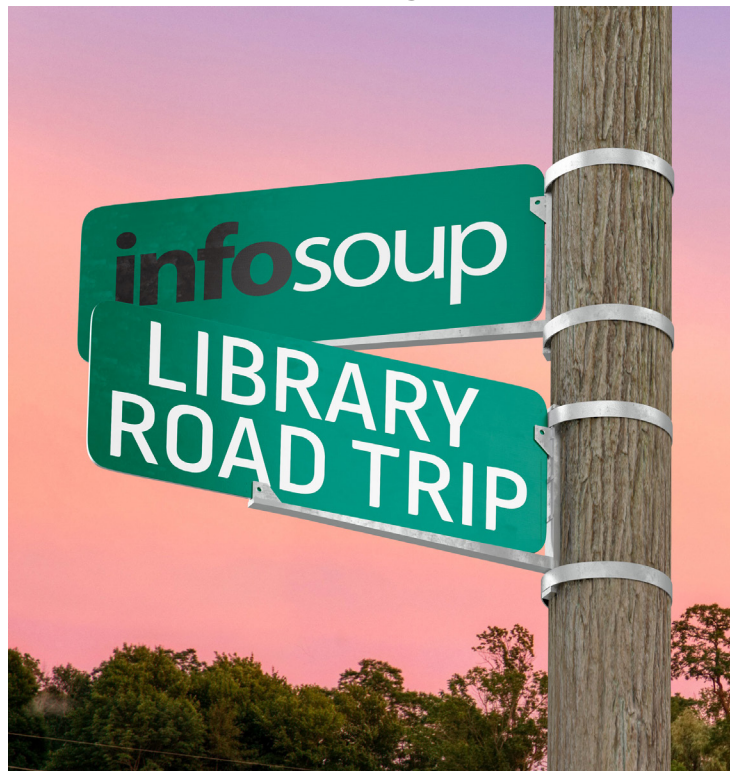

Prizes

Grand Prize: 1 State Park Annual Pass, Wisconsin Atlas & Gazeteer, Ice Age Trail Atlas, gas gift card, car blanket

1st Prize: 1 State Park Annual Pass, gas gift card

2nd Prize: Wisconsin Atlas & Gazeteer

3rd Prize: Ice Age Trail Atlas

4th Prize: Gas gift card

The InfoSoup Library Road Trip Program is managed by the Outagamie Waupaca Library System and the Nicolet Federated Library System.

Tips to Plan Your Road Trip

Each of our libraries is the beginning of your journey to a new community, so feel free to explore local attractions, restaurants, parks, and vendors.

Some InfoSoup libraries are located in rural areas that may not have full cell phone service, but all InfoSoup libraries do have public Wi-Fi and internet access. We encourage you to find and download directions to your destinations! You also might want to call ahead to confirm program details and open hours, especially if it's a long drive for you.
